Re: *Darnell v. Alco Electronics, et al.*
4:05 CV 00052

Dear Judge Kiser:

This will confirm my conversation with the clerk on October 19, 2006. I have filed a fully endorsed Stipulation of Dismissal with the Court today. I have endorsed the stipulation for Mr. Joss, with his permission, so that the Court may proceed to enter an order and release the trial dates of November 6-7, 2006.

Yours truly

/s/ Robert L. Morrison, Jr.
